SOUTH AFRICAN VAT INCREASE TO 15%

Dear Valued Client,

As you most probably aware, the South African government recently approved an increase of 1% to the VAT rate from 14% to 15%. It's been scheduled to be amended by parliament on the 31st March and will be effective from the 1st April 2018. Therefore, please note that Citisprint's quotes and invoices will be amended to reflect the 1% VAT increase from the above date.

Please feel free to contact us if you have any queries regarding the above.

Yours faithfully,
