### Something to chew on

Wishing dog lovers everywhere a very happy Valentine's day!

- Top Dog -

It's a dog day, and that's a good thing!

Love is just love ... It can never be explained.

Dogs are capable of understanding up to 250 words and gestures, can count up to five and can perform simple mathematical calculations. The average dog is as intelligent as a two-year-old child.

## Valentine's Day

Although the Internet and smart phones mostly convey Valentine's wishes these days instead of the more 'old-fashioned' printed greeting cards, the exchange of gifts and flowers still continue.

As always, we are prepared and ready to deliver yours! Just don't leave it to late; book your delivery well in advance.

And remember ....You're the best - no bones about it! Happy Valentine's Day!
